

ICOET 2013 SESSION ATTENDANCE SHEET

Many sessions of ICOET 2013 may qualify for professional development hours (PDHs) from various licensure and certification agencies. Use this sheet to track your session attendance at conference. Actual hours (HRS) for each session are listed below and, where noted, sessions are approved for contact hours for The Wildlife Society (TWS) Certified Wildlife Biologists (CWB) and have been requested for American Institute of Certified Planners (AICP) Certification Maintenance (CM) credits. ICOET participants will be notified following the conference when CM credits have been formally awarded by the American Planning Association. Certificates of attendance also will be provided upon request following the conference to help you document and report your attendance.
